1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In The Abstract:

The abstract has been replaced with the following:

--A readable operation unit for an image forming apparatus displays items representative of various functions relating to image formation while classifying and dividing them on the operation unit. The operation unit includes a touch-screen panel which is substantially centered on the operation unit and various keys in a specific arrangement on the sides of the touch-screen panel so that the operator can easily understand the contents of operations in relation to the other functions.--

In the Claims:

In claim 28, line 2, "the" (first occurrence) has been changed to --a--.

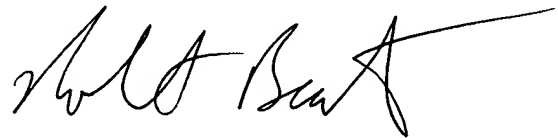

In claim 29, line 2, "means" has been changed to --keys--.

In claim 45, line 2, "means" has been changed to --keys--.

In claim 46, line 2, "means" has been changed to --keys-- and on line 3, "the" has been changed to --a--.
